## EMPLOYMENT OPPORTUNITY

**Job Title:** Promotions Director

**Stations:** Lite Rock 95.9, Rock 93.7, 106.9 Kicks Country, News Talk 94.1

**Job Description:**

The PREMIERE community radio stations in Tennessee are looking for a Dynamite Promotions Director.

We operate four radio stations in the beautiful Upper Cumberland of Tennessee -- one hour from Nashville and one hour from Knoxville. We are the leader in big time events and local programming. When the crap hits the fan, people turn to us! When it's time to have fun, people expect us to be in the middle of it all. A two-person radio news team? YEP! Got that too!

We need an EXCEPTIONAL broadcast leader to join our team! We LOVE the up and comers who need a chance. We BELIEVE in the men and women who are tired of corporate radio. Have an idea? Walk into the president's office and ask him to spend the money! How's that for radio done the right way!

Maybe you are an on-air talent who loves promotions who just wants a chance to grow?

We're NOT interested in inflated egos, burned out and tired acts or people who are not MAJOR MARKET type talent. We're focused on US...and the listeners we serve. And we want only those who see the blessing of radio in the same way.

Live in a great part of the world...work with major market talent....give us 40 GREAT hours...and live a great life. If this is you....apply NOW! [HR@StonecomRadio.Com](mailto:HR@StonecomRadio.Com). We are an equal opportunity employer.

Candidates who meet the above requirements should submit resume and other materials by **September 15, 2018** to:
